What are cookies?

This cookie policy explains what cookies are and how we use them, what types of cookies we use, i.e., what information we collect through cookies and how it is used, as well as how to manage cookie settings.

Cookies are small text files used to store small pieces of information. They are stored on your device when the website is loaded in the browser. These cookies help us ensure the proper functioning of the website, increase its security, provide a better user experience, understand how the website works and analyze what is working and where it needs to be improved.

How do we use cookies?

Like most online services, our website uses first and third party cookies for several purposes. First-party cookies are mostly necessary for the website to function properly and do not collect any of your personal data.

The third-party cookies used on our website are mainly to understand how the website works, how you interact with our website, to ensure the security of our services, to provide you with relevant advertising and generally to provide you with a better user experience and to help speed up your future interactions with our website.
